This floor plan shows a 1000 sq. ft. apartment. The layout includes a kitchen with a sink, stove, and refrigerator; a living area with a fireplace and a large window; a dining area with a round table and four chairs; and two bedrooms, each with a bed and a closet. The apartment also features a bathroom with a toilet, sink, and shower, and a central hallway with several closets. The entrance is located on the right side of the plan, leading into a living area with a fireplace and a large window. The kitchen is located on the left side of the plan, and the dining area is located in the center. The two bedrooms are located at the top and bottom of the plan, each with a bed and a closet. The bathroom is located in the center of the plan, and the central hallway provides access to all rooms.

A floor plan of a two-story house. The plan includes a living area with a fireplace, a dining area with a round table and four chairs, a kitchen with a sink and stove, and a bathroom with a toilet and sink. There are also two bedrooms. Red sun icons with arrows pointing right are located in the living area, the bathroom, and the kitchen. Yellow sun icons with arrows pointing right are located in the bedroom on the left and the living area on the right. A blue arrow points right in the bedroom on the left.
